RECOVERY HOUSING AGREEMENT

I, _____ have been offered the opportunity to use a Recovery Housing bed while I gain strength and stability in my recovery and I address barriers to returning home or establishing a more permanent housing plan.

I acknowledge that my current way of living life isn't working, and that learning a 'new way' may be my best chance at breaking the destructive patterns in my life. That is why I want to ENTER the Recovery Housing program. With each day that I choose to STAY in the program, I am giving the Ten16 staff permission to teach me a 'new way'.

I acknowledge that placement in a Recovery Housing bed is a privilege and not a right and that I earn my ability to remain in this bed by following program rules and by making the most of the opportunities presented to me. I also acknowledge that I can forfeit my bed by opting not to follow program rules or by not making good use of my time in transition.

I understand that the Recovery Housing program is an extension of Ten16's Center for Recovery and Wellness and that I remain under obligation to the original 'Consent for Treatment' signed at admission for Outpatient and Peer Support services along with the following additions and/or exceptions:

- I understand that admission to the Recovery Housing program is voluntary and that I may choose to leave the program at any point in time.
- I agree to work with a Recovery Housing staff to establish a plan for identifying and addressing barriers to returning home/ establishing independence with a personal set of goals to achieve.
- I understand that I am earning my bed in the Recovery Housing program by my behaviors, attitudes and accomplishments and that I may be asked to leave if I do not make sufficient progress toward identified goals.
- I understand that I will be expected to participate fully in all identified groups and activities both within the facility and in the community as identified in my Transition/Recovery Plan.
- I understand and agree to submit to random drug screening.
- I agree to maintain behavioral expectations as outlined in this agreement and that failure to do so could prevent me from being able to remain in the Recovery Housing program. I understand and commit to all of my decisions, behavior and attitudes will line up with and be based in these core expectations and beliefs:
 1. I am motivated and active in my recovery. I want a sober/clean lifestyle, and am willing to do the work towards maintaining it with rigorous honesty.
 2. I am dedicated to learning how to live life on life's terms, the good and the bad, without the use of alcohol and other drugs to compensate.
 3. I am committed to the full community experience within the Recovery House, including holding each other accountable, supporting one another, and treating each other with dignity and respect.
 4. I understand that freedom and privileges brings responsibility, which include honoring the program's structure and meeting schedule, completing personal and household chores and other activities of daily living.
 5. I want to be part of something larger than myself, and want this Recovery Home to have a reputation for making a difference in the community. I will be active in the community through volunteerism, service work, church activities, civic activities and the like.
 6. For as long as I stay in Recovery Housing, this building is a "home" and expectations are that it should be treated with care and respect. Inside and outside should be valued and cared for in a manner that creates a sense of pride in the property.

RECOVERY HOUSING AGREEMENT

Because the protection of everyone's recovery is at stake in a recovery house, I understand that poor choices on my part could lead to my expulsion by the House Manager or Recovery Housing staff. Ten16 reserves the right to expel any person from the program if it becomes evident that they are disruptive to the sober and stable environment required for recovery housing to be effective.

IMPORTANT NOTICE: The participation rules of the Ten Sixteen Recovery Housing Program require expulsion of any participant who is found to be in violation of one or more of the Recovery Housing Mandatory Rules. A resident at the Isabella House or Eastman House must be a participant in the Ten Sixteen Recovery Housing Program and is not a tenant under the Michigan Landlord Tenant Act to wit: Act 348 of 1972, MCL 554.601 et seq. A resident at the Isabella House or Eastman House group is part of the sober community and a participant of the Ten Sixteen Recovery Housing LLC Program. As such, the participant must meet the obligations Recovery Housing Agreement and Client Handbook to receive the benefit of housing. The residents at Isabella House or the Eastman House are NOT entitled to any of the rights or protections which a tenant would be entitled to under Michigan Law.

TERMINATION OF AGREEMENT: THIS AGREEMENT IS NOT A CONTRACT FOR HOUSING AND TEN SIXTEEN RECOVERY HOUSING, LLC RESERVES THE RIGHT TO TERMINATE THE PROGRAM AT ANYTIME WITHOUT NOTICE.

I have read the above notice and understand that I am applying for participation in the Ten Sixteen Recovery Network Housing Program, as a member of a sober community and not as a tenant. I agree to abide by Ten Sixteen Recovery Housing LLC Program principles and fully subject myself to the rules of the Isabella House or Eastman House, which rules may include periodic drug testing. I understand that I am subject to immediate expulsion from the house by the House Manager or Recovery Housing staff if 1) I use alcohol, illicit drugs or abuse prescription drugs; 2) I fail to meet the obligations set forth the Recovery Housing Agreement and Client Handbook.

I understand that I have up to 7 days after discharge to remove my personal property left in the residence unless alternative arrangements have been made with the Recovery Housing Coordinator or Case Manager.

I have read, understand, and agree to abide by the above Recovery Housing Agreement. I have been given a copy of my rights as a resident. I have been given a copy of the House Client Handbook, and agree to the program rules and expectations as defined in the Handbook. I understand the consequences of failing to follow through, which could include dismissal from the program.
